Break free

Launch your own case management business.

And your new life.

Entrepreneurs wanted. (Franchises available.)

You're an independent thinker and a self-motivated doer. You know there's more out there—and you're waiting for the right opportunity to make your move.

Whether you're an experienced case manager who's getting restless or an entrepreneur looking to try something new, **ALARIS AdvantageSM** might be your ticket to freedom.

Founded in January 2000, **The ALARIS Group, Inc.**[®] has achieved remarkable success with an innovative case management business model that led the company to \$10 million in revenue in just 5 years. Today, the leaders and ingredients of that strategy are available to you through an **ALARIS Advantage**SM franchise.

Everything you need.

How can you create your own case management business from scratch? Through a solid franchise program that delivers the know-how and resources you need.

Training

Don't worry if you're not a business guru or a case management expert. We'll help you learn the ropes and map a promising path. Our comprehensive training program starts with a 5-day intensive session and includes up to 100 hours of additional training in your first six months of business.

Systems

Our proprietary **ALARISware**[™] software is your secret weapon—allowing you to manage marketing, track customers, train staff, monitor productivity, generate invoices and ensure quality—easily and efficiently. This robust platform is your virtual office—reducing your need for costly consultants and enabling you to manage your business from anywhere.

Referrals

As an **ALARIS Advantage**SM franchise holder, you'll receive qualified leads, if available, and referrals for new clients in your territory. In other words, **you can bank off the relationships we've already established.** You'll also receive proven marketing tools to build your own client base.

Support

From the moment you get onboard, you'll be supported by a group of seasoned professionals who are vested and invested in your progress and potential. From initial training and a comprehensive operations manual to annual conferences and ongoing consultation, **we're there for you.**

Our experience is your advantage.
